Dear Panthers,

Welcome back to the 2017-2018 school year at Cutler Ridge Elementary School. I am honored to be the principal of a school where the students, teachers, and staff are “Planting Seeds of Success”. Come watch us grow one student at a time!

Cutler Ridge Elementary School’s ultimate goal is to maximizing the potential of every child entrusted to our care while fostering a quest for lifelong learning. In order to meet this lofty goal, the staff will work diligently to form a solid academic foundation for your child. We encourage you to be involved in your child’s education by monitoring his/her progress, and maintaining contact with his/her teacher.

We look forward to future collaboration of home and school that will ensure a safe and positive learning environment that fosters each child’s academic, social, and emotional potential in the quest for lifelong learning and effective citizenship.

Thank you for allowing us to be part of your child’s academic journey!

Very Truly Yours,

Adrienne L Wright - Mullings

Adrienne L. Wright-Mullings

Principal

A Look Ahead...

October 23-27

Red Ribbon Week

Important Announcement

M-DCPS monitors student attendance through the iAttend Superintendent's initiative. Attending school is one of the most important factors to a child's academic success.

“Planting Seeds of Success” for the 2017-2018 school year.

After School Club Information

Club interests forms will be sent home September 12, 2017. Please complete the forms and return with your child so that we can formulate the students who will participate. Also if you are interested in being a sponsor of a club or participating in anyway, please indicate on the form as well.

Data/Testing Information

Our school grade for 2016-2017 was a "B". This year we will be working hard to achieve an "A". Our school community will be "*Planting Seeds of Success*" this in order to cultivate a learning environment that enables our students to work at their full potential.

FLKRS (Kindergarten) 8/21/17 – 10/4/17

Science Interim Baseline (Grade 5) 8/21/17 – 9/19/17

iReady Diagnostic AP1 (Grades K-5) 8/28/17 – 9/29/17

Fitnessgram (Grades 4-5) 10/2/17 – 10/31/17

STEAM Updates

Science, Technology, Engineering, Art, Mathematics

We are very proud of our 2016 STEM Silver designation!!! We are awaiting the results of the STEAM Designation for 2017. Our hope is to achieve a STEAM Gold or Silver! This year we will be applying once again for STEAM Designation for 2018. We are going "Full STEAM Ahead"!

Counselor's Corner

As our School Counselor, I am looking forward to working with our students and their families this school year. I am always available for individual and small group services as well as providing classroom guidance lessons to our students. School-wide events will be provided such as Character Education, Red Ribbon Week, Bullying Prevention, and Career/Truck Day. Feel free to contact me at Cutler Ridge Elementary should you have and concerns or questions.

More Important News

We are looking for five parents to participate in our EESAC. Please contact Mrs. Regalado or Ms. Lazcano if you are interested.

Panther of the Month

Student

Caitlyn Dauphin is a 17-18 Safety Patrol who has demonstrates responsibility by arriving on her post on time and dressed appropriately with a smile and eagerness to assist.

Go Caitlyn!

Teacher/Staff

Patrice Moolah is living and breathing the safety of our school by leading our Safety Patrols into being responsible, committed and respectful. She has a handbook and support that encourages students to be and do their best!

Parent: Congratulations to Mrs. Theresa Hooper who is a stellar grandparent. She is a PTA Board and EESAC Member, and she runs the PTA Store as well as volunteers daily and when needed.

Community Partner

Sandra Hurl who is a member and representative from the Cutler Ridge Women's Club has provided school supplies and will continue to enrich the lives of our 1st grade students by sponsoring and participating in the Grandma's Game Day held in the Media Center monthly.
